KELLER-BRATTAIN WEDDING

A feature of the front page of Thursday's Los Angeles Express was an attractive picture of Glendale's popular dancing instructor, Mrs. Pearl Keller, with the announcement and "story" that "an attractive bungalow in Glendale waits return of couple from honeymoon," Mrs. Keller and Lieut. Brattain being that happy couple.

GODDARD-OLIVER WEDDING

A charming simplicity characterized the wedding of Miss Gladys May Goddard, daughter of Mr. and Mrs. C. E. Goddard, 517 West Park Avenue, and Robert A. Oliver, which was solemnized at the Central Christian Church of Glendale, Wednesday morning, September 3.

In the presence of only a few of their friends, Rev. Clifford A. Cole read the ceremony, which was very impressive. The bride wore a dainty white dress and carried a bride's bouquet. She was attended by her sister-in-law, Mrs. Gladys Goddard, and Miss Ivy Mills. Fred Wilkinson acted as best man for the groom.

The bride is one of Glendale's most popular and accomplished young ladies, and was a graduate of the Glendale High School, class of 1919.

Robert A. Oliver, the groom, has been a resident of this city for over six years, and is at present connected with Mr. Wilkinson in the Oliver Publishing Co.

Immediately following the ceremony the young couple left for a wedding trip in the north. They will be gone for a month, returning to Glendale to make their home.

MARRIED: DUNCAN-CATE

Miss Lois Duncan and John Cate were married Wednesday morning at the bride's home on South San Fernando Road, in the presence of about fifty relatives and friends.

The house was beautifully decorated in pink and white, that color scheme being carried out throughout. Rev. O. P. Rider officiated, with Miss Carol Duncan as bridesmaid and Gilbert Cate as best man, with Miss Hazel Green of Pasadena at the piano.

After the wedding breakfast the happy couple left on a honeymoon trip which includes San Diego, and on their return will reside in Los Angeles, where the groom is connected in business.

A HOME WEDDING

A very pretty wedding was solemnized at the home of Mr. and Mrs. McNaughton Barnes, Glendale, when their daughter, Lucile, was united in marriage to Mr. Osborne Meighan of Pittsburgh, Pa., Rev. O. P. Rider officiating. The bride, daintily gowned in white net, was attended by Miss Winifred Bacon dressed in pink and white. Mr. Lyman Balkema, a cousin of the bride, acted as best man.

The home was artistically decorated with pink carnations amid a bower of ferns, the ceremony being performed under a large wedding bell. The song, "Because," was beautifully rendered by Mrs. E. H. Weston, accompanied by Mrs. C. L. Chandler at the piano. After the ceremony refreshments were served. The bride was the recipient of many beautiful and useful gifts. The young couple left immediately for a short trip, after which they will make their home in Glendale.

About fifty guests were present to witness and take part in the ceremony and to wish the participants all the happiness and prosperity imaginable.

FIRST NATIONAL BANK

ELECTS OFFICERS

The regular monthly meeting of the First National Bank of Glendale was held Wednesday, and among the important transactions was the election of W. C. Anderson as cashier to succeed Ed M. Lee, who resigned the position on account of his health, but remains a member of the board of directors. R. F. Kitterman was also elected vice president and director.

The bank officers now are: W. W. Lee, president; R. F. Kitterman and M. P. Harrison, vice presidents; W. C. Anderson, cashier; Wilbur Francy, Harry Francy and Wm. A. Goss, assistant cashiers. Board of directors: W. W. Lee, Ed M. Lee, R. F. Kitterman, M. P. Harrison, W. C. Anderson, George T. Paine and E. U. Emery.

The First National Bank of Glendale with its affiliated branch, the Glendale Savings Bank, which is located just across Brand Boulevard, is the strongest financial institution of the valley. Its motto has always been "Glendale's money for Glendale enterprises," and with its "Service, Safety, Courtesy" watchwords has had the phenomenal growth which it deserves.

M. E. Hass and family, from Greeley, Colo., are located at 210 East Cypress. They came through by auto. The former occupants, the Townsends, have gone to Morrall, Nebraska.

COUNTY TAX RATES FIXED

Jonathan S. Dodge, Chairman of Board of Supervisors, Writes of Tax Rate.

The county tax rate for the year 1919-20 has been fixed at 64½ cents per one hundred dollars of value. This rate is practically the same as that of the year 1915-16, when the rate was fixed at 64 cents on the \$100.

The rate this year is an increase of 14½ cents over the rate of last year, but the increase is made up of items necessary to be incurred during the coming year.

One of the largest items of increase is \$400,000 for highways and bridges, more than one-half of which sum is to be spent in construction of a harbor truck highway to be used for heavy hauling between Los Angeles and the harbor.

The largest increase in cost will necessarily be found in the Department of Charities and Corrections, where a number of new buildings are to be constructed. In addition, the cost for the care of dependents has been greatly increased by the high cost of materials, so that this department alone will call for the expenditure of at least half a million dollars over and above the expenditures of former years.

It was imperative that there should be an increase in salaries and wages, and of course this was covered in the additional levy.

The levy for flood control last year was two cents on the \$100, but this year will have to be increased to six cents on account of the payment of interest and sinking fund on the bonds already issued.

It was to be expected that there would be a heavy increase in the rate for schools, not only on account of new laws passed by the legislature, but on account of the increase in teachers' salaries.

It is to be hoped when business re-

turns to normal that the rates of taxation will be reduced along with the prices of other commodities. The taxpayers can rest assured that every dollar levied will be properly expended and a very large proportion of the amount will be used for permanent and lasting improvements.

No item of expense produces larger or better results than the amount paid for taxes, and no county in the state has a lower county rate of taxes than Los Angeles County.

PROCEEDINGS OF BOARD OF TRUSTEES

The regular meeting of the Board of Trustees was held September 4, 1919. The Board assembled at 8:10 p. m., all members present. The minutes of the regular meeting of August 24, were read and approved.

The regular order of business was changed and the matter of the protest against the Crystal Ice Company's plant was taken up on motion of Trustee Woodberry. An additional petition was filed in reference to this matter, signed by F. A. McCall and three others, stating that they signed the protest upon the representations made by another person, knowing nothing of the facts of their own knowledge, and intending only to petition for the formation of an industrial district. On motion of Trustee Shaw, it was ordered that a hearing in regard to the complaint against the Crystal Ice Co. be set for Tuesday at 8 o'clock p. m., Sept. 16, 1919, in the council chamber; petitioners to be notified of the hearing and witnesses heard at that time to testify under oath.

A petition was presented, signed by A. Wm. Goetz and over a hundred other petitioners, asking that the City

Trustees reconsider the ordinance prohibiting local taxis parking their cars on the northeast corner of Brand Boulevard and Broadway. Mr. Goetz and J. L. Martin addressed the Board in support of the petition.

H. A. Wilson appeared before the board requesting that he be permitted to run auto stages through Glendale temporarily, pending the granting to him of a permit by the Railroad Commission, without the payment of license. On motion of Trustee Henry, referred to the committee of the whole.

Mr. Babb appeared before the Board in reference to a fence at the foot of Adams Street which had been erected by him. No action was taken.

A communication was read from the Railroad Commission, giving notice of hearing on Monday, Sept. 15, 1919, at 10 o'clock a. m., in the Flood Building, San Francisco, in the matter of the investigation into all rates, charges, rules and regulations of the Pacific Telephone and Telegraph Co. The communication was filed, it being understood that the City Attorney would be in attendance at the hearing.

Applications for permit to conduct auto business in the city were granted to N. B. Drake and A. B. Drake, E. J. Jackson and M. R. Lowe.

An application was received from Thomas J. Ake for permission to sell milk in the City of Glendale, which, having the approval of the Milk Inspector, was granted.

A communication was read addressed to the president of the Board, from the Syd Chaplin Aircraft Corporation, calling the attention of the Trustees to the development of aviation in this section and stating that it is very desirable that the various cities and towns in this vicinity establish suitable landing fields for air craft, further expressing the desire that Glendale should take some action in regard to the matter.

A communication was read from Anna L. Smith, requesting that a large pepper tree standing in the parkway in front of 327 West Riverdale Drive be removed. On motion of Trustee Jackson, referred to committee of the whole.

Reports were received and placed on file from the City Recorder, the Building Inspector and the Treasurer.

The City Manager made a report on various matters.

On motion of Trustee Shaw, the sum of \$12.50 was ordered to be transferred on the books of the Public Service Department from consumers' deposit fund to the public service fund.

On motion of Trustee Shaw it was ordered that the sum of \$4,199.91 be transferred as a loan from general reserve fund to the general budget fund.

Trustee Shaw presented the following resolution, which was adopted as

Resolution No. 1082: "A Resolution of the Board of Trustees of the City of Glendale Fixing the Working Hours of the Members of the Glendale Fire Department."

On motion of Trustee Shaw, a statement which had been prepared by the committee of the whole in reference to the Public Service Department was ordered to be adopted, signed by the various members of the Board, printed and distributed.

Trustee Shaw offered the following resolution, which was on his motion adopted: "That T. W. Watson be appointed and continued as City Manager under Ordinance No. 355, and that he give bond as such in the sum of \$1,000."

Trustee Shaw offered the following resolution, which was on his motion adopted: "That A. H. Lankford be appointed fire chief and ex-officio fire

marshal in pursuance of Ordinance No. 355."

Trustee Shaw offered the following resolution, which was adopted: "That L. W. Chobe is hereby appointed Sanitary Inspector, and also Superintendent of Buildings, under Ordinance No. 355."

Trustee Shaw offered the following resolution, which was adopted: "That D. S. Phillips is hereby appointed Auditor of the Public Service Department Under Ordinance No. 355."

Trustee Shaw offered the following resolution, which was adopted: "That Peter Diederich is hereby appointed Superintendent of the Public Service Department under Ordinance No. 355."

A communication was read from A. M. Loomis proposing to audit the books of the city for the sum of \$375, and on motion of Trustee Henry his proposition was accepted.

The City Attorney reported in reference to lot "A," tract No. 927, stating that owing to a recent decision of the Supreme Court he recommended that the proceedings in reference to the same be started again. Recommendations were approved and action ordered taken accordingly.

RED CROSS TO HAVE AID OF LIBRARY COMMITTEES

Pacific Division headquarters of the American Red Cross announces that it has received assurance of co-operation from library committees in California, Nevada and Arizona, which provided such valuable assistance in previous campaigns, that they may be counted upon for the same active assistance in the forthcoming drive for members and funds, to be known as the third Red Cross roll call, opening November 3 and closing November 11, Armistice Day.

In announcing the campaign, national officers of the Red Cross draw attention to the fact that the organization is confronted on the one hand with the necessity of continuing work abroad, which it is obligated to maintain for a while at least, and on the other by the demand of peace problems at home.

It is believed that the foreign ob-

ligations may soon be terminated and the Red Cross is, accordingly, devoting its attention and energies to a clearly defined home program. This already includes systematic preparations for disaster relief, a widespread nursing plan, continuing home service obligations, first aid instruction and an extensive Junior Red Cross program.

PYO-REM - "THE DENTIST'S FAVORITE PRESCRIPTION"

A Perfect, Pleasant, Purifying Mouth-Wash.

Makes the gums firm and healthy and the breath sweet.

Pyo-Rem is indicated for Pyorrhea, tender, bleeding, soft, spongy or receding gums, soreness caused by wearing plates or artificial teeth, sore throat, cold or canker sores, and offensive breath.

Pyo-Rem is a real medicine and must be diluted as directed. It is so concentrated in drug strength that one bottle is equivalent to three or four of the ordinary weak, watery preparations commonly used.

For Pyorrhea (Rigg's Disease) consult your dentist FIRST, as all calculus must be removed from the teeth. He will inject Pyo-Rem (full strength) into pockets and give directions for daily use, which keeps the mouth in perfect health.

Pyo-Rem Paste, which contains potassium chlorate and the essential ingredients of Pyo-Rem liquid, is excellent for cleaning the teeth. The liquid should be used, one or two teaspoonfuls in a wine glass of water, as a mouth wash, 3 or 4 times a day. This will keep the teeth clean, prevent tartar formation, make the gums firm and healthy and keep the breath sweet.

Pyo-Rem is soothing and healing for wisdom teeth slow to come through, after extraction of teeth, for salivation, cuts burns and scalds.

W. C. T. U. NOTES

(By Miss Burch.)

Los Angeles W. C. T. U. enjoyed a picnic outing at Santa Monica Thursday.

Central W. C. T. U. had a fine program and large attendance at its meeting on Friday. Gene Brown, a conductor on the Los Angeles Railway, gave an address on the strikers' side of the strike, after which a fine address was given by Mrs. Eliza Upham, superintendent of prison work for the Union. Mrs. Upham spoke at some length, and the statement was made that a great decrease had been made in "those present" at the weekly Sunday services since John Barleycorn's demise. From an attendance of 400 it has decreased to 50. Speaks well for prohibition.

Central Union will serve lunch for the state executive committee at its meeting.

HEADQUARTERS

National W. C. T. U.

Evanston, Ill., Aug. 6, 1919.

The general officers of the National Woman's Christian Temperance Union, in reply to the statements issued Aug. 3 by the "Association Opposed to National Prohibitions," state:

First: Our organization is not in a federal amendment campaign against tobacco.

Second: The money received in the jubilee million dollar drive is not being raised to conduct such a campaign, but will be expended for the purposes named in the budget.

Third: We are in an educational campaign against tobacco and have been in such a campaign for more than thirty years. In this campaign we have the sympathetic co-operation of leading educators and Sunday School workers.

The Woman's Christian Temperance Union, since its organization in 1874, has proven its worth and has justified the confidence and esteem given it by the people of our country. In every campaign which it has conducted or in which it has had a part its work has been done openly and in the future will be carried on in the same way.
